

## The Pfizer Papers: Learning from the Naomi Wolf, PhD

Dr. Naomi Wolf, an established author and advocate for freedom of speech, reflects on her experiences with censorship, scientific inquiry, and the revelations documented in The Pfizer Papers: censorship of scientific inquiry and cross-political collaboration, adverse effects of COVID-19 vaccines and transparency, and the role of classical liberalism amidst radical ideological shifts. These themes underscore the importance of transparency, accountability, and individual rights in society, particularly when it comes to healthcare and governance.

### In this briefing we will discuss the following:

- » Censorship of Scientific Inquiry and Cross-Political Collaboration for Truth
- » The Pfizer Papers and Vaccine Adverse Effects
- » Classical Liberalism vs. the Radical Marxist Left

**YOUR MISSION:** To understand the implications of censorship in science, public health, and political dialogue, and to appreciate the potential for cross-ideological collaboration in seeking the truth.

ATTENTION: The COVID-19 response revealed to the world that the far left was no longer liberal but entirely Marxist. Their attacks on individual freedoms awakened the people to fight for their rights.

### WHY YOU SHOULD CARE

- » Censorship can stifle scientific progress and silence informed public debate, directly impacting your access to critical health and societal information.
- » Censorship of scientific discourse infringes upon the foundational principles of free speech while risking the lives of those who could benefit from alternative viewpoints.

- » Transparency in vaccine information is critical, as it directly affects personal health choices and fosters accountability within pharmaceutical companies and government agencies.
- » The findings in the Pfizer Papers reveal what appears to be a major conspiracy covering up the greatest scandal of this century.
- » Understanding the difference between classical liberalism and Marxism, the staple of the modern left, is essential for intelligent political discourse.
- » A new alliance is forming between classical liberals and conservatives in the fight for freedom and the pursuit of truth.

Ep. 8-319 (OSINT) Open-Sourced Intelligence Report. This briefing includes a conversation between Kevin Freeman and Dr. Naomi Wolf. Dr. Wolf is a friend of the Economic War Room® and a patriot.

Dr. Naomi Wolf is a bestselling author, columnist, professor, and graduate of Yale University. She is co-founder and CEO of the company Daily Clout whose mission is to empower people with information and facts from all viewpoints; she is the author of seven bestsellers including *The Beauty Myth*. They have a wide-ranging discussion about the corporate media's abandonment of journalistic ethics, the public's loss of faith in the media, the danger of ideological echo chambers, and experiences they've had with social media deplatforming.

## 1. Censorship of Scientific Inquiry and Cross-Political Collaboration for Truth

Dr. Naomi Wolf faced significant backlash and censorship when she raised concerns about the side effects of the mRNA COVID-19 vaccines, particularly on women's health. Her experiences highlight how political pressures can override scientific inquiry.

“I was de-platformed, actually, by the White House in June of 2021 when I warned on Twitter that women were experiencing menstrual symptoms upon receiving the mRNA Covid injections.” –Dr. Naomi Wolf

This censorship not only stifled Wolf's voice but potentially delayed critical discussions on vaccine safety, illustrating the broader implications for scientific freedom and public trust in health policy.

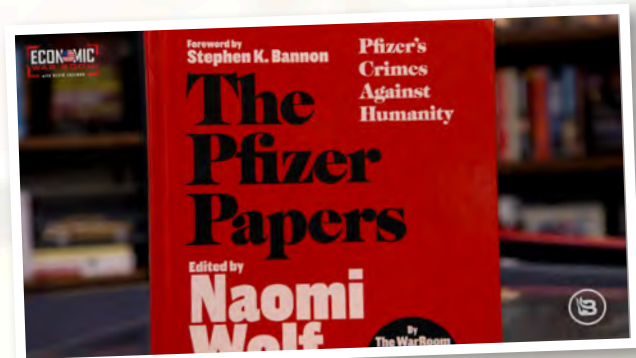

“Censorship doesn’t work... Over time, the truth always comes out.” –Dr. Naomi Wolf

Dr. Wolf found an unexpected ally in Steve Bannon, whose willingness to offer a platform transcended political divides.

This collaboration across ideological lines is what conquers censorship and brings the truth to light.

Shared principles, such as the importance of individual freedoms and government transparency, can bridge political divides and are the key to building a better future for our nation.

By coming together to reveal the findings in The Pfizer Papers, Wolf and Bannon showcased that addressing common concerns about censorship and transparency transcends political affiliations.

**⚠ Attention: Censorship in science, especially for political purposes, delays the discovery and dissemination of vital health information, leaving many without the proper care.**

## 2. The Pfizer Papers and Vaccine Adverse Effects

Through this unprecedented collaborative effort, Dr. Wolf and her team analyzed the Pfizer documents, revealing significant adverse effects associated with the vaccines that were initially hidden from public view.

These critical health concerns, particularly affecting women, included reproductive issues and a myriad of other adverse effects.

“They knew that 1,223 people died in the three months after the rollout. They knew that there are over 130,000 adverse events, 62% of those in women.” –Dr. Naomi Wolf

The findings underscore the necessity for full transparency in pharmaceutical research, allowing individuals to make informed health decisions based on complete data.

“Pfizer hid the bodies of eight dead people infected with Covid...so they could falsely claim that getting vaccinated made you less likely to end up hospitalized or dead.” –Dr. Naomi Wolf

The transparency issue surrounding the vaccine’s side effects exposes the critical, and in this case poisonous, role of pharmaceutical companies and government agencies in public health decisions.

Making this data accessible serves the public’s right to know and highlights the need for accountability from those in authority.

By understanding these findings, individuals can make better-informed choices about their health and the health of their loved ones.

**Attention: *The Pfizer Papers* reveal critical, previously undisclosed information about vaccine safety concerns and the cover-up of the century’s greatest scandal.**

### 3. Classical Liberalism vs. the Radical Marxist Left

This unified search for the truth involved people from many different backgrounds. Steve Bannon and Dr. Naomi Wolf set the example as people with differing political views working together to do the right thing for the American people.

This collaboration requires common ground, which many would not expect between liberals and conservatives. However, classical liberals and traditional conservatives have many similar values.

Dr. Wolf identifies as a classical liberal. She emphasizes her values of individual rights and free speech and contrasts these with the authoritarian tendencies she perceives in modern Marxist political movements.

“A classical liberal believes in representational government, a parliament, rather than, fiat by an aristocracy. A classical liberal believes that all citizens of a state are equal, as opposed to the situation before 1848, for instance, in Europe, where a lot of Jews, for instance, were considered less than equal or didn't have full civil rights. A classical liberal believes in a free market, with good social organizations, reforming or mitigating the harshest effects of free markets. A classical liberal, above all, believes in freedom of speech and in our case, a constitution... and believes in the individual and in human dignity... classical liberals believe that the role of the state is to protect the rights and freedoms of the individual.” –Dr. Naomi Wolf

The discourse on political ideologies clarifies the need to defend foundational democratic principles against movements that might prioritize collective control over individual liberty.

“Classical liberals and traditional conservatives can come together in much the same way that we're seeing Marxists and fascists come together on the other side, which you would never have expected. And the difference is, the belief in individual liberty and the support of the basic Bill of Rights that were granted to us by our founders.” –Kevin Freeman

Now is a time to set aside our differences and join together in our shared values. As Americans, we believe in liberty and justice for all.

This can only truly be achieved when the American people work together to find the truth and do the right thing.

This can be seen today as political leaders, like Donald Trump, RFK Jr, Tulsi Gabbard, etc. show that their classical liberal values can align more with conservatism than with the evils of the radical left.

**Attention: Classical liberalism promotes individual liberty, which is at odds with the collective control sought by the radical left, leading to a new alliance between classical liberals and conservatives.**

## **ACTION STEPS:**

1. Check out [The Pfizer Papers](#), Dr. Naomi Wolf's new book, to learn more about this crime against humanity.
2. **Educate Yourself on the Impact of Censorship:** Seek out sources and discussions that present multiple viewpoints on scientific and social issues to develop a well-rounded perspective.
3. **Support Transparent Health Policies:** Advocate for policies that require transparency from healthcare agencies and pharmaceutical companies, ensuring public access to complete health information.
4. **Defend Free Speech and Inquiry:** Engage in conversations and initiatives that uphold free speech and protect scientific inquiry as the foundation of true science and innovation.
5. **Promote Cross-Political Collaboration:** Emphasize the value of working with individuals across political lines to protect and promote shared values, such as individual freedom and government accountability.

## **ONGOING ACTION STEPS:**

1. Read Kevin's new book [Pirate Money](#) to learn about a solution to protect Americans from inflation and the looming threat of CBDC.
2. Get a copy of [According to Plan](#) to better understand these domestic attacks on our Liberty as well as the overall Marxist plan to consume America.
3. Seek opportunities to inspire other Americans to stand up for what is right.
4. Send them this Economic Battle Plan™ and ask them what they are doing to stand for America and Liberty!
  - » Elect Politicians that understand the need to preserve American Liberty.
  - » Encourage and ask your elected officials to educate themselves.
  - » Ask them how they are working to strengthen our education system and reverse the push for Marxist indoctrination. These are big issues, if your representatives are not aware and working toward solutions directly or indirectly based on their committees, hold them accountable!

5. **Watch out for programmable money. The Dollar is being attacked and the WEF is working toward The Great Reset. We want to see the dollar stay strong by acting on the items above. We also believe it is good for Americans to diversify and have other options to pay with transactional gold. Prepare your money for the economic war.**

Your support for Transactional Gold and Silver Currency is critical! We have legislation advancing in 20+ states! Learn about progress in your state at <https://transactionalgold.com/> and click the “Active States” button in the upper right-hand corner.

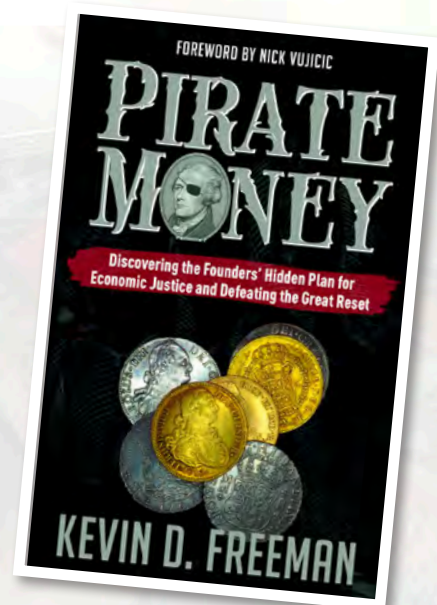

6. **Check your investments to see if they are helping fund the agendas of Globalist Elites. If you have a financial advisor insist that they give you an update and encourage them to become part of the NSIC.**

**Seek out investment opportunities in patriotic innovations.** Financial Advisors can learn more at [www.NSIC.org](http://www.NSIC.org). Weaponize your money, your investing, spending, and giving!

**ATTENTION: Clients already with a Financial Advisor** - Make sure your financial advisor has your values and interests at heart. Make certain they really understand what ESG investments mean for our future. Suggest that they become part of the NSIC institute and nominate them to participate in our online certification at <https://www.economicwarroom.com/advisor>.

In the **Economic War Room®**, we encourage Americans to be the “little ships that make the difference.” You cannot solely rely on the government or the president to solve America’s problems. You have to make a difference. It is up to you to help take our country back and create a voice for economic liberty. [The little ships are based on Churchill’s Operation Dynamo that rescued the British Expeditionary Forces in the Miracle of Dunkirk.]
